29th May 2019

Dear Parents,

With our sporting pavilion fundraising being well underway, we are offering families the opportunity for their name to go down in history at Shepparton East Primary School.

Mrs Dow has been busily painting the SEPS Mural on the side of the Multi-Purpose Room which will be adjacent to the new sporting pavilion once constructed. As a part of the mural, families are able to purchase leaves on the trees and have their names hand painted onto them. This will then be covered in a clear coat and become a permanent display of your support for our school.

Simply fill out the attached form and return with payment to the office.

Regards,

Trent McCrae
Principal
