## From the Principal's Desk

Dear Parents,

I would like to take this opportunity to thank staff, students and families for an extremely positive year despite the challenges we all faced. Thank you to everyone who has contributed in some way throughout the year, whether large or small, to create such an amazing learning environment for our students and help make Shepparton East Primary School the wonderful school that it is.

This year's concert was a little different to usual, but we hope you enjoy it. The students had a great time putting it all together.

To the families who are leaving and finished their time at our school, I wish you all the best.

To our Year 6 students who celebrate their graduation from Primary School, I wish you all the best of luck as you head off to Secondary School taking many wonderful memories with you of your time here at Shepp East.

Please take the time to relax with family and friends over the holidays and recharge ready for all the adventures that the new year will bring. Remember to stay safe and have a very Merry Christmas.

I look forward to seeing you all back in 2020.
