### **Child safe**

Shepparton East Primary School is committed to providing an environment where students are safe and feel safe. Ensuring child safety is a shared responsibility, and we expect all members of our school community—staff, parents, carers, and visitors—to speak up and report any concerns relating to child safety and wellbeing.

Our child safety framework located at [www.shepeastps.vic.edu.au](http://www.shepeastps.vic.edu.au) demonstrates how we support and maintain child safety and wellbeing at Shepparton East Primary School. It includes our:

- Child Safety and Wellbeing Policy
- Child Safety Reporting and Responding Obligations Procedures, and Child Safety Code of Conduct, which outlines acceptable and unacceptable behaviours for all staff and volunteers at our school.

Our students and families are important partners in providing a child safe environment. These regular newsletter reminders are one of the ways we ensure our school community is aware of:

- our commitment to child safety, and
- how to provide feedback or raise child safety concerns.

If you have any concerns about child safety at any time, please contact Shepparton East Primary School on 03 5829 2426. Any child safety complaints or concerns are treated seriously. For more information about our school's complaints process, see our Complaints Policy.
