From the Principal's Desk

Dear Parents,

It's hard to believe that December is just around the corner! Student testing is in full swing and staff are busy putting the final touches on rewards days, graduation and concert activities.

Thank-you to all the families who put in request for classes in 2026. We are busy working through these requests now in preparation for notification of classes and teachers on December 9th at Orientation Day.

T20 Blast Cricket

Our Year 5/6 boys team will compete in the Hume Region T20 Blast Primary School Cricket competition this Friday 21st November.

2026 Prep Transition #4

On Friday 21st November we are looking forward to welcoming our 2026 students back for another Transition session.

Cultural Performance

The whole school will attend the Cultural Performance—Let the Music Move You here at school on Thursday 20th November. The performance focuses on music and movement and how the two are integrally linked. Students will be actively engaged in the performance.

Respectful, safe, engaged: shared expectations to support student behaviour

When schools, families and students work together, we achieve the best outcomes. These partnerships are essential to creating school environments that support all students to belong, learn and thrive.

At Shepparton East Primary School, all students are expected to be respectful, safe, and engaged. These behaviours help make our school a place where everyone can achieve their best. As a parent and carer, you play a vital role in helping your child to understand and meet shared behaviour expectations.

Students meet behaviour expectations by being:

Respectful

- Following staff instructions and school rules.
- Caring for school property and others' belongings.
- Using respectful language.

Safe

- Keeping themselves and others safe from harm.
- Speaking up or seeking help from an adult if they or someone else is being treated unfairly.
- Only bringing safe and necessary items to school.

Engaged

- Going to school every day, being on time, and ready to learn.
- Taking part, doing their best, and asking for help when they need.
- Knowing and following the school's policies, including the mobile phone policy.

Shepparton East Primary School is supporting our students to meet these expectations by being:

Respectful

- Teaching and demonstrating school rules and positive behaviour expectations to students.
- Explicitly teaching, modelling and acknowledging expected respectful behaviour.
- Engaging collaboratively and positively with all students, parents and carers.

Safe

- Having clear policies and procedures to prevent and respond to bullying and keep students safe.
- Offering additional supports to students proactively and supporting students to speak up and seek help.
- Proactively identifying and addressing problems to maintain a physically, socially and culturally safe school environment.

Engaged

- Delivering evidence-based, inclusive education that meets the needs of all students.
- Empowering students to have a say in decisions that affect their learning and school life.
- Building strong, trusting relationships to ensure all students feel seen, heard and valued.

How parents and carers can help

By modelling and encouraging positive behaviour, you help your child build the skills and habits they need to be successful at school.

This can include:

Respectful

- Knowing the school's rules and supporting them at home.
- Modelling respectful behaviour in how you speak to and about school staff, families, and others both in person and online.
- Making use of the school's processes to raise and resolve concerns early.

Safe

- Working together with staff if your child is having problems at school to understand and resolve the issue.
- Ensuring your child knows it is okay to ask for help from a trusted adult at school.
- Ensuring your child stays safe online by talking with them and addressing concerns early.

Engaged

- Helping your child to attend school every day - every day counts.
- Communicating with school staff and working together to support your child's learning and wellbeing.
- Talking with your child about their day and how they are feeling and encouraging their learning by noticing their effort and progress.

The Respectful, safe, engaged: shared expectations to support student behaviour statement is available on the department's website. Further information, resources and support are available at Supporting positive behaviour in Victorian government schools.

Child safe

Shepparton East Primary School is committed to providing an environment where students are safe and feel safe. Ensuring child safety is a shared responsibility, and we expect all members of our school community—staff, parents, carers, and visitors—to speak up and report any concerns relating to child safety and wellbeing.

Our child safety framework located at www.shepeastps.vic.edu.au demonstrates how we support and maintain child

safety and wellbeing at Shepparton East Primary School. It includes our:

- Child Safety and Wellbeing Policy
- Child Safety Reporting and Responding Obligations Procedures, and Child Safety Code of Conduct, which outlines acceptable and unacceptable behaviours for all staff and volunteers at our school.

Our students and families are important partners in providing a child safe environment. These regular newsletter reminders are one of the ways we ensure our school community is aware of:

- our commitment to child safety, and how to provide feedback or raise child safety concerns.

If you have any concerns about child safety at any time, please contact Shepparton East Primary School on 03 5829 2426. Any child safety complaints or concerns are treated seriously. For more information about our school's complaints process, see our Complaints Policy.

We also welcome your ideas on ways we can improve our approach to child safety and wellbeing. If you have any suggestions or comments please contact Shepparton East Primary School on 03 5829 2426 or at shepparton.east.ps@education.vic.gov.au.
