Mother's Day Stall

On the 8th of May Parents and Friends are holding the yearly Mothers Day Stall. To make this day successful we are seeking donations. This could include beauty products, chocolates, socks, mugs etc. These items can be dropped off in the main office. Parents and Friends would like to thank the Shepparton East community for their ongoing support.

Daylight Savings ends this weekend.

From the Principal's Desk

Dear Parents,

We are all looking forward to tomorrow's Easter Raffle draw, remember to bring your tickets in by tomorrow morning. Wishing all families a lovely relaxing break with family and friends over the next couple of weeks. We look forward to seeing you all back refreshed and ready for another exciting term filled with learning opportunities and enjoyable activities.

Annual privacy reminder for our school community

Our school collects and uses student and parent personal information for standard school functions or where permitted by law, as stated in the [Schools' privacy policy](#) and the [Schools' privacy collection notice](#).

Our [Photographing, Filming and Recording Students policy](#), describes how we collect and use photographs, video and recordings of students. The policy also explains when parent consent is required and how it can be provided and withdrawn. We ask parents to also review the guidance we provide on how we use [Google Workspace for Education](#) safely at the school and what parents can do to further protect their child's information. If after reviewing the guidance, you have any questions or concerns regarding your child using Google Workspace for Education, please contact the school. For more information about privacy, refer to: [Schools' privacy policy: information for parents](#). This information is also available in eleven community languages:

Child safe

Shepparton East Primary School is committed to providing an environment where students are safe and feel safe. Ensuring child safety is a shared responsibility, and we expect all members of our school community—staff, parents, carers, and visitors—to speak up and report any concerns relating to child safety and wellbeing.

Our child safety framework located at www.shepeastps.vic.edu.au demonstrates how we support and maintain child safety and wellbeing at Shepparton East Primary School. It includes our:

- Child Safety and Wellbeing Policy
- Child Safety Reporting and Responding Obligations Procedures, and Child Safety Code of Conduct, which outlines acceptable and unacceptable behaviours for all staff and volunteers at our school.

Our students and families are important partners in providing a child safe environment. These regular newsletter reminders are one of the ways we ensure our school community is aware of:

- our commitment to child safety, and how to provide feedback or raise child safety concerns.

If you have any concerns about child safety at any time, please contact Shepparton East Primary School on 03 5829 2426. Any child safety complaints or concerns are treated seriously. For more information about our school's complaints process, see our Complaints Policy.

We also welcome your ideas on ways we can improve our approach to child safety and wellbeing. If you have any suggestions or comments please contact Shepparton East Primary School on 03 5829 2426 or at shepparton.east.ps@education.vic.gov.au.

This is a friendly reminder that Teeth On Wheels will be visiting our school for dental check-ups starting on April 20th 2026.

Early dental visits are crucial for your child's long-term oral health. At this visit, Teeth On Wheels will help identify and address

common dental concerns, such as:

- **Thumb-sucking**– which can affect tooth development.
- **Teeth eruption**– ensuring teeth are coming through correctly.
- **Bite issues**– preventing misalignments that may cause future problems.
- **Hypoplasia**– weakened tooth enamel that can lead to decay.
- **Decay and cavities** – catching early signs before they develop into bigger issues.
- **Deep grooves and pits**– which can trap food and bacteria, increasing the risk of decay.
- **Gum infections**– preventing long-term damage to gums and surrounding tissue.

To ensure your child is part of this visit, please complete the consent form using the QR code:

A hard copy of the form has been sent home to families.

Once completed, the Teeth On Wheels team will Check your child's eligibility for FREE care under the Child Dental Benefits Schedule

(CDBS). If your child is not eligible, Teeth On Wheels is offering a special deal of \$125 for a full check-up, clean, fluoride treatment, and any required x-rays (which can be claimed through your private health insurance).

TeethOnWheels™
a positive dental experience

Important: The cut-off date for completing the form (hardcopy) is: Monday 30th March

The cut-off date for completing the form (online) is: Monday 13th April

If you have any further questions, feel free to contact the Teeth On Wheels team at (03) 9338 1191.

WHERE TO GET HELP AND SUPPORT

It is important to remember that nothing is so bad that you can't tell someone. You can always ask for help if something goes wrong online, you don't need to manage these issues on your own. Here are a list of options to report to, as well as support services.

Report Support Prohibit

Dear schools and classroom teachers,

I am writing to advise you of some free resources available to you to address online safety in the classroom.

Throughout 2026, we will continue our partnership with ThinkUKnow Australia, to prevent online child sexual exploitation.

ThinkUKnow is an evidence based, pro-technology program that addresses topics including self-generated child abuse material, online grooming, sextortion and promotes help seeking behaviours.

ThinkUKnow is delivered nationally in partnership with the Australian Federal Police (AFP), industry partners and all state and territory police. These partnerships provide a unique capability as the content is shaped by real case studies based on reports to the AFP-led Australian Centre to Counter Child Exploitation (ACCCE) and AFP investigations to produce educational resources to address the needs of children and young people.

Student presentations are delivered in the classroom environment by trained state and territory police. This provides students the opportunity to engage with police and consider information regarding their behaviours and interactions online in a positive environment where questions and discussions are encouraged.

All presentations are aligned with the Australian Curriculum V9 to ensure content is relevant and age appropriate. To read an overview of ThinkUKnow learning goals, outcomes and curriculum links, visit [here](#).

For more information on ThinkUKnow or how to book a presentation, please visit their [website](#) to submit an expression of interest form.

THE RESILIENCE PROJECT.

GEM Chats Emotional Literacy

CREATING WELLBEING HABITS & CONNECTION

GEM Chats help families practice The Resilience Project's principles, offering a simple wellbeing check-in while building stronger connections through daily conversations.

HOW TO USE GEM CHATS

Make GEM Chats a part of your dinner routine to reflect, check in, and practice emotional literacy.

Try these prompts:

- ★ What emotion do you feel right now and why?
- ★ What are some emotions you have felt today/this week? How did you identify them?
- ★ Describe a moment from your day when you felt excited.
- ★ What emotions have you noticed today in your friends, teachers or family members? How did you recognise these emotions?
- ★ What could you do today/tomorrow to experience a positive emotion?

Permanent Care

Could you provide a long term, caring and nurturing home for a child?

What is Permanent Care?

Permanent care provides a child with security, stability and life-long relationships in the care of a family when they are unable to live at home.

Permanent care arrangements allow for children to grow up in a loving and nurturing environment with adults who are committed to promoting their development so they can reach their full potential.

Children are usually aged up to 10 years when they move to their permanent care family with efforts made to ensure siblings are kept together. A permanent care order granted by the Children's Court transfers custody and guardianship to the permanent carer.

What is a Permanent Carer?

We are seeking committed and motivated people who can provide a stable, secure and nurturing environment for a child. Permanent carers need to have the time, commitment, understanding and love to help a child gain trust and to feel secure within their permanent care family.

What support does a Permanent Carer receive?

Support is provided to permanent care children and families, including a level of financial assistance towards the day-to-day expenses of caring for a child/ young person.

Want to find out more?

If you are interested in learning more about becoming a permanent carer and providing a home for a child, you are welcome to attend an information session:

Session 1 (in person):

Get Ready for an Exciting Season Ahead!

Dear Badminton Enthusiasts,

We are thrilled to announce the commencement of the new badminton season! As we are preparing to embark on another exciting journey of matches, training sessions, and friendly competitions, we want to share some important information to ensure that everyone is ready and informed.

Season Start Date

The upcoming season competition will officially begin on 24th of April following the first term school holidays. Please mark your calendars and make sure to attend the opening ceremony, where we will outline key dates and events for the season.

Training Sessions

Two free come and try/training sessions are available on Fridays the 20th and 27th of March, 4.00 PM to 6.00 PM at the Shepparton Sports Stadium. Assistance for beginners will be available.

Registration

Registration for the new season is open now. Please visit our website to complete the registration process. Early registration is encouraged to secure your spot and avoid any last-minute rush.

Free Holiday Fun at the Library

Autumn is a great time to be out and about, and Goulburn Valley Libraries has you covered when it comes to activities that will entertain all ages during the school holidays. Pipe cleaner jewellery making, a dino craft party, marble maze making, basket weaving, a Mario Kart Tournament and so much more will be on offer throughout the two weeks. We are also very excited to have Museums Victoria STEM kits at three of our libraries. Avenel and Euroa will be exploring Astronomy with a range of fascinating, out of this world activities, while the Shepparton Library will be offering Engineering sessions that are sure to engage the whole family. We only have these STEM kits for a short time and places are limited, so make sure you book in and see what they are all about.

If you would prefer to sit back, relax and enjoy some popcorn and a movie, why not bring the family to one of our movie screenings at the Avenel, Euroa, Mooroopna and Shepparton Libraries; *Smurfs, The Bad Guys 2, Lightyear*, and more. All our holiday program sessions are free to attend, but we do recommend booking a place so that you don't miss out. Pick up a holiday program at any Goulburn Valley Library or find the full schedule at www.gvl.org.au/holidays.

Giant board games are on the move again, giving you the chance to challenge friends and family to a different game throughout each holiday period. See if your library has Giant Connect 4, Chess, Noughts & Crosses, Snakes and Ladders, or one of the other great games that we have available.

Looking for something to do with babies and younger children? All our regular Rhyme & Story Times continue during the holiday period. Shepparton Library will also have their fortnightly bilingual Mandarin Story Time on Thursday 6th April at 10:30am. Come along to any Goulburn Valley Library Rhyme & Story Time or Baby Rhyme Time session to enjoy songs, rhymes, stories and craft for children aged 0-8 years, their families and carers. Give us a call on 1300 374 765 or visit our website www.gvl.org.au to find dates and times for each session. No bookings are required.

Perhaps you just want to relax and read a good book— speak to our friendly staff for some recommendations.

Visit our website to find eBooks and eAudiobooks through BorrowBox or Cloud Library, as well as access to many other great resources such as Storybox Library, Kanopy Kids, LOTE Online for Kids, Comics Plus and so much more.
