As we wind down towards the end of Term, I would like to thank all staff, parents and students for their ongoing support. I would like to wish everyone a safe and relaxing break and look forward to seeing you all back refreshed and ready for an exciting Term 3.

One Tree Per Child

Last Wednesday, our Year 5/6 students enjoyed an excursion to Yakka Basin Reserve in Shepparton as part of the Greater Shepparton City Council's One Tree Per Child initiative. Working together, they planted a variety of native trees and shrubs that will provide habitat and food sources for local wildlife for years to come. The experience provided students with a valuable opportunity to make a positive contribution to the environment while developing a deeper understanding of sustainability. We are proud of our students' enthusiasm and teamwork they demonstrated, and we thank to the Council staff for sharing their knowledge and support.

REGIONAL CROSS COUNTRY

Well done to Paige Laws, Noah O'Donnell and Alex Tenace for competing in today's Regional Cross Country event.

Congratulations to Paige who finished 9th and is through to the State Cross Country, Noah who finished 28th and Alex who finished 45th. Amazing effort by you all.

Your home can change a life

Become a foster carer with Berry Street

What does a safe place look like to you? Maybe it's a cozy bedroom, a lively kitchen, or the feeling of belonging. For a child who has experienced trauma, a safe place is more than a location—it's a chance to recover from their trauma and thrive.

At Berry Street, we believe every child deserves a chance to heal and thrive. That's why we're looking for people like you to become foster carers for local children in need.

You might be single, in a partnership, have a family of your own, or rent your home. You could be a young professional or enjoying retirement. There is no "typical" Berry Street foster carer—only a person with an open heart and a spare room.

Our carers are a diverse community from all walks of life. They do wonderful work to give children the support they need to grow, develop, and feel safe.

Permanent Care

Could you provide a long term, caring and nurturing home for a child?

What is Permanent Care?

Permanent care provides a child with security, stability and life-long relationships in the care of a family when they are unable to live at home.

Permanent care arrangements allow for children to grow up in a loving and nurturing environment with adults who are committed to promoting their development so they can reach their full potential.

Children are usually aged up to 10 years when they move to their permanent care family with efforts made to ensure siblings are kept together. A permanent care order granted by the Children's Court transfers custody and guardianship to the permanent carer.

What is a Permanent Carer?

We are seeking committed and motivated people who can provide a stable, secure and nurturing environment for a child. Permanent carers need to have the time, commitment, understanding and love to help a child gain trust and to feel secure within their permanent care family.

What support does a Permanent Carer receive?

Support is provided to permanent care children and families, including a level of financial assistance towards the day-to-day expenses of caring for a child/ young person.

Want to find out more?

If you are interested in learning more about becoming a permanent carer and providing a home for a child, you are welcome to attend an information session:
