SHEPPARTON EAST PRIMARY SCHOOL PLAYGROUP (2027)

SHEPPARTON EAST P.S.
BY LEARNING, WE GROW

Shepparton East Primary School is exploring the possibility of establishing a community playgroup in **2027** for local families with young children.

A playgroup would provide a welcoming environment where children can learn through play, develop early social skills, and become familiar with our school, while parents and carers have the opportunity to connect with other local families.

Before we begin planning, we would like to gauge the level of interest within our community.

If you have a child of playgroup age, or you know a family with young children who may benefit from attending, we would love to hear from you. Please share this opportunity with friends, neighbours and family members who may be interested.

Registering your interest **does not commit you** to attending. It simply helps us determine whether there is sufficient community interest to establish a playgroup in 2027.

TO REGISTER YOUR INTEREST

Please fill in the Google Form using the link below:

https://forms.gle/VctJ53QiK3C8uLmS8

OR

Simply contact the school office by phone or email and provide:

We look forward to hearing from you and hope to create another wonderful opportunity for young families to connect with our school community.

BERRY STREET

Your home can change a life

Become a foster carer with Berry Street

What does a safe place look like to you? Maybe it's a cozy bedroom, a lively kitchen, or just the feeling of belonging. For a child who has experienced trauma, a safe place is more than a location—it's a chance to recover from their trauma and thrive.

At Berry Street, we believe every child deserves a chance to heal and thrive. That's why we're looking for people like you to become foster carers for local children in need.

You might be single, in a partnership, have a family of your own, or rent your home. You could be a young professional or enjoying retirement. There is no "typical" Berry Street foster carer—only a person with an open heart and a spare room.

Our carers are a diverse community from all walks of life. They do wonderful work to give children the support they need to grow, develop, and feel safe.

Permanent Care

Could you provide a long term, caring and nurturing home for a child?

What is Permanent Care?

Permanent care provides a child with security, stability and life-long relationships in the care of a family when they are unable to live at home.

Permanent care arrangements allow for children to grow up in a loving and nurturing environment with adults who are committed to promoting their development so they can reach their full potential.

Children are usually aged up to 10 years when they move to their permanent care family with efforts made to ensure siblings are kept together. A permanent care order granted by the Children's Court transfers custody and guardianship to the permanent carer.

What is a Permanent Carer?

We are seeking committed and motivated people who can provide a stable, secure and nurturing environment for a child. Permanent carers need to have the time, commitment, understanding and love to help a child gain trust and to feel secure within their permanent care family.

What support does a Permanent Carer receive?

Support is provided to permanent care children and families, including a level of financial assistance towards the day-to-day expenses of caring for a child/ young person.
