Dear parent/guardian,

Shepparton East Primary School is looking forward to another great year of teaching and learning and would like to advise you of Shepparton East Primary School's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to:

- Purchase art and physical education equipment and resources
- Offer a wide range of subjects and special curriculum experiences for our students across all year levels
- Refurbishment of school grounds with a particular focus on our playgrounds and front school entrance.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Les Walsh
Principal

Sean Tenace
School Council President
